

## On Board

### *Notes from March 29<sup>th</sup> SPC Board Meeting*

**Membership Milestone (Again):** Space Coast Region achieved another milestone in the latest membership report from PCA National Headquarters. SPC reached 451 regular members and 728 total members. Membership in SPC has almost doubled in the past five years and is closing in on the membership levels of neighboring Florida Citrus and Florida Crown regions.

**Sunrise 2 Sunset Rally:** Rallymeister Brian Reinert and his evil apprentice David O'Neal confirm that route is set and the questions have been finalized. A few spots remain open for the sixth running of the Sunrise to Sunset Rally on Saturday, April 16<sup>th</sup>. So if you are interested in joining this epic event, act quickly and sign up at [register.pca.org](http://register.pca.org). Even if you are not participating in the rally, all PCA members are invited to the *Blue Skies and Green Lights* reception at Porsche of Melbourne on Friday, April 15<sup>th</sup> at 6:30pm.

**Articles Please:** The submittal deadline for articles for May's edition of *Escape Velocity* is Monday, April 18<sup>th</sup>. We love our content; share your Porsche stories with others and submit them to *EV* Editor Ginny O'Neal at [goneal@ags-expo.com](mailto:goneal@ags-expo.com). SPC received confirmation that our submission for *PCA Newsletter of the Year* was accepted along with a record FIFTY others. The number of entries is up 25% over last year and, judging by the enhanced quality of other Zone 12 publications, the competition is stiffening.

**Next Autocross Dates Set by Florida Citrus:** FLC has confirmed two more dates in their annual series. The autocrosses are set for Sunday, May 15<sup>th</sup> and Sunday, June 6<sup>th</sup> at the Lake County Training Facility near Tavares. As usual, SPC will host a drive to the event leaving from the Lowes parking lot in Rockledge (I-95, exit 195) at 7am sharp.

**I Love a Parade, and a Good Deal:** Registration for the 56<sup>th</sup> Annual Porsche Parade in Savannah (July 31-August 6) remains open. Porsche of Melbourne is assisting with the cost of attending the Parade by providing a \$200 gift card to those registered for the Parade (1 per car/family). A few rooms remain in the reserved block for SPC members at the *Mansion on Forsyth Park* ([www.mansiononforythpark.com](http://www.mansiononforythpark.com)) located at 700 Drayton Street in historic Savannah. This four diamond resort and spa is offering a rate of \$169/night plus taxes and \$20/day for parking which is competitively priced with the other "official" hotels. The hotel will allow us to park our own cars in their gated parking lot next to the hotel. The room block is being held under *PCA Space Coast Region*. Reservations must be made by April 30<sup>th</sup>; call the hotel at (888) 213-3671.
