

## Space Coast Region Board Appointments for 2011

A meeting of the 2010 board members and interested volunteers was held on Sunday, December 26<sup>th</sup>. As the number and complexity of events continues to grow, several positions were added to ensure proper coordination and communication with our members. The position of Events Chair has been expanded to provide two coordinators for each of our four major event categories: Skill, Social, Technical, and Touring; the Drive & Dine Chair was incorporated into the Social Events Coordinator position. The Safety Chair has been repositioned as the Event Insurance Coordinator.

Classic Coordinators Ralph Fritsche, Shelby Goode and Kirk Stowers will serve as advisors to owners of classic Porsches. As Porsche Parade is in Savannah this summer, Parade veterans Ron and Libby McCall are heading a committee to coordinate our participation and answer any questions that members may have. Similarly, SPC will host Zonefest in 2012. We have established a committee headed by Collin Davey and Ron McCall to begin planning for this major multi-regional event.

Listed below are the volunteer assignments for 2011. Should you have an interest in assisting in any way, please let one of us know. We need your participation. Thanks in advance to those that have helped keep us one of the most active regions in the PCA.
