

## Flight News: July 2012

Due to the overwhelming response, we decided to make a couple changes to the plan for the Boxster Launch on 7/15 to make sure it is a special and enjoyable event.

First off it will be held at Porsche of Melbourne in lieu of Panera. We will open up the time to run from 9AM until 1PM. If you have already sent me your RSVP, I will assume you are still interested so no need to RSVP again. I will however contact you to establish a target time for your arrival. We would like to spread people out throughout the day so you are not waiting too long before getting your opportunity to test drive the Boxster. I will keep it to 30 minute intervals and once we get 3 couples at that time, we will look for another time. We will have more of a brunch offering so there will be breakfast items as well as lunch items.

Second, after physically looking at the Pebble Beach tickets, they are a little different than what I first advertised. In fact, it is much better. So instead of raffling it off, we decided to have a silent auction for the entire package. All of the proceeds will go to the Candlelighters for Children with Cancer, <http://www.4kidswithcancer.org/>. They are a great local organization who do wonderful things for kids. The package is valued at roughly \$2000 but is impossible to replicate because a couple of these items are never available for purchase. Here is what is included:

2 Tickets to "The Quail: A Motorsports Gathering" on Friday 8/17.

2 Tickets to the "Pebble Beach Concours d'Elegance" on Sunday 8/19

2 Wrist Bands to the "Pebble Beach Lodge Porsche Hospitality" which includes free food and beverage on Sunday 8/19

2 Porsche Lanyards and Ticket Holders

We already have a starting bid at \$500, but we hope it will go for much more. And the best part is that it is for a great charity!

See you there!!
