

On Board

Notes from February 22nd SPC Board Meeting

Membership Milestone: Space Coast Region achieved a milestone in the latest membership report from PCA National Headquarters. For the first time on our history, SPC topped the 700-member level with 448 regular members and 719 total members. A significant number of members now live outside of the region in neighboring counties, but chose SPC for our extensive programming activities. The chart (right) shows the distribution of members by location.

Congratulations are in Order: At the PCA National Board meeting on February 19th, Tom Gorsuch was elected as PCA's new National Treasurer. Tom G had been serving as National Membership Coordinator before becoming acting Treasurer earlier this year. Tom Kirk will now assist SPC Treasurer Kirk Stowers with SPC's accounting duties.

Tech Session Deals: Porsche of Melbourne will offer special pricing on the installation of a sport shifter and Porsche fire extinguishers. You must be at the tech session on March 5th to take advantage of these specials. Quantities are limited.

Drive 'n' Dine Update: The next Drive 'n' Dine event will include a day-trip to the Amelia Island Concours on Sunday, March 13th and is in lieu of the regular Kaffeeklatschen in IHB, Vero and Daytona. The drive will depart from the IHB Panera at 9am and will pass by Daytona at approximately 10am for our Volusia members.

The Platz to Be: SPC's David O'Neal and PCA Zone 12 Rep Jennifer Barrows are seeking volunteers to staff the Porscheplatz at the 58th Mobil 1 12 Hours of Sebring on March 18-19. Contact David at doneal@cwisdom.com if you can take a shift on Friday or Saturday afternoon. A limited number of positions are available.

Rally Report: Rally expert Brian Reinert has been called in by Suncoast Florida and Florida Citrus Regions to finalize the route for April 16th Sunrise to Sunset Rally. As a consequence, our Tax Day Prep Rally has to be cancelled so Brian can complete the cross-state course.

I Love a Parade: Porsche of Melbourne has assisted us in securing a room block for SPC members at the *Mansion on Forsyth Park* (www.mansiononforythpark.com), located at 700 Drayton Street in historic Savannah. This four diamond resort and spa is offering a rate of \$169/night plus taxes and \$20/day for parking which is competitively priced with the other "official" hotels. The hotel will allow us to park our own cars in their gated parking lot next to the hotel. The room block is being held under *PCA Space Coast Region*. Reservations must be made by April 30th; call the hotel at (888) 213-3671.
