

## Flight News: October 2012

Hopefully you got a chance to join us at the Friday nights Green Lights and Blue Skies Party at Porsche of Melbourne or at the 7th annual Sunrise to Sunset Rally. Both were fabulous events. I truly believe we surprised Derek Bell and he was truly humbled by the out pouring from our membership. Great job by all in attendance! Especially Shay Rowe, Donna Edwards and the Porsche of Melbourne team for their support and hard work to make the entire weekend a success.

This weekend is the PCA Club Race at Daytona International Speedway. It starts Thursday 10/4 and runs through Sunday. We have setup a group drive on Saturday, October 6th, departing Lowe's in Rockledge at 9AM. Contact Ron Menck at [rmenck@att.net](mailto:rmenck@att.net) if you plan to join us.

It looks like the Annual Ladies Day Autocross Challenge with Florida Citrus has been rescheduled. As soon as we get word on the new date, we will let everyone know. Might just be a ploy by Bert to confuse us so they can retain the trophy.

We do have another kaffee at the Eau Gallie Yacht Club on Sunday, October 14th. These are great events to get out and visit with good friends and get a great breakfast. Contact Jack Roberts at [jackeroberts@hotmail.com](mailto:jackeroberts@hotmail.com) if you plan on attending.

The following weekend, we will have a kaffee at both the Vero Beach and Daytona Beach Panera at 9AM on Sunday, October 21st. We plan on having the new Boxster down at the Vero Beach event, so if you have not had a chance to get a good look or even a test drive, you might want to attend.

There is also a DE at Roebing Rd that weekend, October 20-21, in concert with Florida Citrus, You can get more details and register at [www.clubregistration.net](http://www.clubregistration.net). Search under Florida Citrus.

Lastly, our annual Oktoberfest Concours, Swap Meet and German BBQ will take place on October 28th at F. Burton Smith Park in Cocoa. It runs in concert with the 356 Florida Owners Group and has been well supported by Florida Citrus and other regions and seems to get bigger every year. I would not be surprised if we got 100 cars out there this year. It is always a great event. Registration is open now at [www.clubregistration.net](http://www.clubregistration.net).

The weather is starting to cool off, so pick an event or two, circle it on your calendar, then get out and drive those cars!
